

**Working Group 2205-1  
Training, Qualification & Examination of  
Remote Pilots, Instructors & Examiners  
in the “Specific” Category**

**EUROPEAN  
Coordination  
Cooperation  
Harmonization**

**Structure – Deliverables - Participation**

## Governance & Responsibilities

### WG 2205-1

<b>Working Group Coordinator</b> <i>(USE Management Team)</i>	Responsible for overall activities Define & allocate tasks & resources
--	---

### Sub-Groups – Quantity: 4

<b>SG Leaders</b> (1 per SG) <i>(appointed by USE Mgt Team)</i>	Responsible for SG activities Coordinate Focus Group tasks
--	---

### Focus Groups – Quantity: 19 – Each with 1 Deliverable

<b>FG Leaders</b> <i>(elected by FG participants)</i>	Responsible for FG Activities Report to relevant SG Leader
--	---

<b>Subject Matter Experts</b> <i>(FG participants)</i>	Produce the required deliverables
---	-----------------------------------

## Sub-Group 1 – Terminology

### Objective

- Facilitate the work of each Focus Group
- Provide UAS community stakeholders with a harmonized database
- Align vocabulary with the manned aviation ecosystem
- Contribute to the harmonization of terms & best practices between UAS community stakeholders throughout Europe

### Deliverables

- FG 1.1** Database of standards, norms & reference documents pertinent to WG 2205-1
- FG 1.2** Terminology applicable to training & examination
- FG 1.3** Terminology applicable to drone operations-related systems, procedures & matters
- FG 1.4** Terminology applicable to relevant functions, roles & responsibilities

## Sub-Group 2 – Training Modules & Syllabi

**EUROPEAN  
Coordination  
Cooperation  
Harmonization**

### Objective

- Contribute to harmonizing training & examination practices between UAS operators & private training providers in Europe
- Ensure training & examination of regulatory requirements & market needs for remote pilots & all other personnel involved with UAS operations are met

### Deliverables

- FG 2.1** Prerequisite training organisation guidelines
- FG 2.2** Generic theoretical & practical training syllabi - Remote pilots & other personnel
- FG 2.3** Generic theoretical & practical endorsement modules & associated detailed training syllabi - Remote pilots & other personnel
- FG 2.4** Theoretical & practical training syllabi - Remote pilots & other personnel STS
- FG 2.5** Theoretical & practical training syllabi - Instructors (generic)
- FG 2.6** Theoretical & practical training syllabi - Examiners (generic)
- FG 2.7** Theoretical & practical training syllabi - Generic Emergency Response Plan (ERP)

## Sub-Group 3 – Model Documents

**EUROPEAN  
Coordination  
Cooperation  
Harmonization**

### Objective

- Facilitate the conduct of training & examination for UAS operators & private training providers all over Europe by using common documents
- Support cross-border operations and contribute to mutual training recognition between EU Member States

### Deliverables

- FG 3.1** Generic progress booklet & examination report models for remote pilots and other personnel (practical training and examination)
- FG 3.2** Progress booklet & examination report models for remote pilots STS (practical training & examination)
- FG 3.3** Progress booklet & examination report models for instructors (generic practical training & examination)
- FG 3.4** Progress booklet & examination report models for examiners (generic practical training & examination)

## Sub-Group 4 – Training & Assessment

### Objective

- Ensure remote pilots & other involved personnel are trained and examined in a harmonized manner throughout Europe
- Increase the professionalism of UAS operators and private training providers throughout Europe, and improve the quality of training & examinations provided

### Deliverables

- FG 4.1** General training & examination guidelines for remote pilots and other personnel
- FG 4.2** Training & examination guidelines for practical training of remote pilots & remote pilot examination in the context of STS
- FG 4.3** Training & examination guidelines for the Instructor role
- FG 4.4** Training & examination guidelines for the Examiner role

Harmonization**

## USE Working Group 2205-1

### Sub-Groups (SG)

SG 1 - Terminology

SG 2 – Training Modules & Syllabi

SG 3 – Model Documents

SG 4 – Training & Assessment

### Focus Groups (FG)

FG 1.1    FG 1.2    FG 1.3    FG 1.4

FG 2.1    FG 2.2    FG 2.3    FG 2.4

FG 2.5    FG 2.6    FG 2.7

FG 3.1    FG 3.2    FG 3.3    FG 3.4

FG 4.1    FG 4.2    FG 4.3    FG 4.4

**FGs to be initiated incrementally**

**D  
E  
L  
I

S**

### To Be Coordinated With

EASA Task Force

NAARIC

Other (as needed)

## WG 2205-1 – Participation Status

**EUROPEAN  
Coordination  
Cooperation  
Harmonization**

### Sub-Group 1 - Terminology

Focus Groups	1.1	1.2	1.3	1.4
Persons / FG	6	2	2	1
FG Leaders	1 Candidate			
Persons / SG	11			
SG Leader	P. van Blyenburgh			

### Sub-Group 2 – Training Modules & Syllabi

Focus Groups	2.1	2.2	2.3	2.4	2.5	2.6	2.7
Persons / FG	6	8	4	5	4	3	8
FG Leaders	5 Candidates						
Persons / SG	38						
SG Leader	Nicolas Kestens						

### Sub-Group 3 – Model Documents

Focus Groups	3.1	3.2	3.3	3.4
Persons / FG	3		1	1
FG Leaders	2 Candidates			
Persons / SG	5			
SG Leader				

### Sub-Group 4 – Training & Assessment

Focus Groups	4.1	4.2	4.3	4.4
Persons / FG	11	4	4	3
FG Leaders	5 Candidates			
Persons / SG	22			
SG Leader	Vadim Kramar			

## WG 2205-1 – Current Participation

**EUROPEAN  
Coordination  
Cooperation  
Harmonization**

**34 Representatives of  
23 Companies & Organisations in 14 Countries**

**Albania  
Austria  
Belgium  
Denmark  
Finland  
France  
Germany**

**Germany  
Ireland  
Italy  
Netherlands  
Spain  
Sweden  
UK**
